Summary: The machine and humans have come to a truce(This is part 1,which means I added.)

Erupting Volcanoes

Disclaimer:I own nothing so don't sue.Besides I have NO money.I do own Halo though.

>AN:Well,this is a sample,um Mouse is not dead.

> The Neb.
 "Morpheus,come here quick!"Tank yelled.When Morpheus came he showed

>him the message from Zion.5 minutes later Mouse,Trinty,Neo,and Halo,a
docter from another ship were gathered waiting for Morpheus to speak.

>"As of now there is a truce between us and the machines,they keep the
people that cannot be released and we release the ones that can be,

>we have a list of those people."He said."Who`s first?"Asked Halo.
"Lets see a girl named Volcanoe.

>
 The Real World.

> Volcanoe sat at her computer,twhirling a piece of her red hair.Knock
Knock went the door.She walked to the door,opened it,and looked out.

>There stood her customer,Rayon,"Do you have the disk?"He asked."Yeah."
She took the money and gave him the disk."Remember,I don't exist."She told him."Yeah,I know."

>She shut the door and turned around.When she looked up after counting her money
she saw Neo,Trinty,and Mouse and did what any respectful hacker would

>do,she fainted.

> She woke up to the sound of a phone ringing.She picked up."We don't
want any."She mumbled."I`m not selling anything,anyways it`s 3 in afternoon

>why are you sleeping."Asked her friend Megan."Oh shit,can I call you later?"
Volcanoe asked her."Sure,bye."Morgan said hanging up the phone.Volcanoe

>hung up and stood looking around.There was no clues as to whether she had
dreamed 3 of the most famous hackers coming to her house

or not.Suddenly
>she realized that the house was a diaster and her mother would be
home any time.
"I`m screwed,i`m screwed."She repeated while
hurrying to clean up.As soon
>as she got done and sat on the couch the door opened."Hi,honey.I got
chinese
food."Her mother said sitting severele bags on the
counter."And don`t forget
>I got a date tonight,at 5:30.""Yeah,yeah."Volcanoe said,heading to
her
room to work on another program.
> The Real World.
 "Do you know when we are going back in?"Asked
Trinity."Soon,I hope."
>Added Mouse."Maybe in a day,let her get over the shock."Replied
Morpheus.
